UNITED STEWARDSHIP COUNCIL STATISTICS, ISSUED FOR 1935

A blank was sent to the officials of the communions named below and the statistics are from their replies. Gifts reported are from living donors. Interest and legacies are not included. Budget benevolences are those in the denominational national budget. Denom-

inational benevolences include budget benevolences and such other contributions as are made for denominational missionary and beneficent work outside of the budget. The statistics are for the denominational fiscal year.

The column headed "Total Gifts for All Purposes" in some cases contains gifts from living donors which were given either for non-budget denominational benevolences or for non- and interdenominational benevolences, and there is no method of dividing them.
